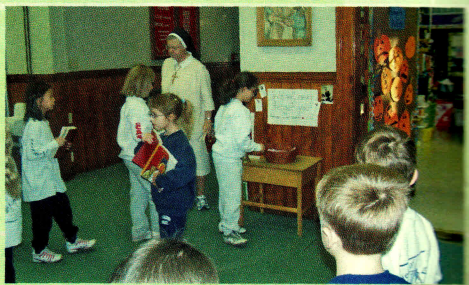
St. Casimir School Memorable Moments



Yearbook Dedication

This year St. Casimir School celebrated its 100th Anniversary. From the very first day it opened, it has indeed been a place "Where faith and knowledge meet" and grow. We dedicate this 2007-2008 Yearbook to all our current and past administrations, faculties, staffs, students, families, and friends who have, through their faith, determination, and undaunted hard work, fashioned St. Casimir School into the place it is today.
